Dear Harold,

I can't thank you enough for the hospitality you and your wife have shown to me and my son. I know the chance to see the films and your files plus being able to ask questions of you has made my son very excited about learning as much has he can about the assassination. I hope this interest will last so someday the truth will be know by all.

I have enclosed the information concerning the CD-ROM's.

Thanks Again,

Kurt & Brett
